Sunrise tours

The early bird catches the worm or, around here, the first of the sun's rays to shine down on the Brienzer Rothorn. If you've never seen the sun rise from the highest mountain in Lucerne, make sure you add this incredible experience to your bucket list right now. Once the sun is up in the sky, treat yourself to a delicious breakfast at the Rothorn Summit Restaurant.

Top tip: Explore the **Rothorn photo trail** and capture unforgettable moments on camera at six photo spots along the way.
